Report of Principal and School Improvement Council

Pelham Road Elementary School is a unique blend of traditional studies and technology in a delightful, child-friendly setting. Our motto, "A Community of Learning", is quite evident with our report card ratings, student achievement on state standardized test, and our outstanding volunteer program. This past year, our PTA and SIC gave 25,426 volunteer hours to tutor, assist with field trips, assist with computer and science labs, and help with special programs such as our International Day and Math and Science Day. Also our SIC Board is comprised of community members, parents, retired educators, and school staff who keep abreast of current legislation and education trends as well as serve as an advisory body to the school's principal and faculty. Because of the outstanding diversity of our communities representing forty nationalities/countries and twenty languages spoken in our homes, Pelham Road Elementary is definitely the epitome of "A Place Called School" by being a microcosm of the real world and a "Little United Nations".

We are proud of the educational achievements of our faculty and staff. Currently, twenty-seven staff members have earned advanced degrees in the field of education. Also, we have 12 teachers who have earned National Board Certification, a PhD recipient and another teacher seeking a PhD in the educational field. Our faculty is also deeply committed to improving each child's achievement and participates in high level professional development not only at our school site, but also participates at the district level. We provide our students with individualized goal setting and progress measurement through MAP testing – Measures of Academic Progress. Strong writing integration across the curriculum provides students with a solid language arts foundation. Consequently, Pelham Road is now a school of Exemplary Writing and recently received The Exemplary Writing Award from our state. We are also a National Blue Ribbon School of Excellence, Palmetto's Finest, and have received the Red Carpet Award.

Our very excellent extended day program provides safe and stimulating activities in art, music, and PE and homework help for the 150 children we served this past school year and currently have a waiting list for the upcoming school year. Many teachers work in the afterschool program as well as older teenagers, many of which were former students at Pelham Road Elementary.

Our mission, in partnership with our home and community is to PREPARE, RESPECT, ENRICH and SUCCEED. We will continue to move forward to maintain the excellent service we provide for our students and community. We are indeed proud to be called "A Community of Learners".

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
